16 A sentencing hearing in the above-captioned case is scheduled before this Court for  
17 Monday, June 16, 2008 at 10:00 am. While defense counsel believes that a mental health  
18 evaluation of the defendant is warranted prior to his sentencing, such an evaluation will not be  
19 completed in the time available. Therefore, the parties jointly request that the sentencing hearing  
20 be continued to September 15, 2008 at 10:00 am. Defense counsel has spoken with the  
21 defendant about the need for this continuance, and he is in agreement with this request.  
22 Additionally, U.S. Probation Officer Christina Carrubba does not object to this continuance and  
23 is available on September 15<sup>th</sup>.
